

Lake Meeting
August 5, 2017
10:10 AM

Present: Al Grabon, Leo O' Reilly, Scott Schultz, Michael McTierman, Rolland Grote, Bob Semian, Mike Mundy, Chuck Marsh

Absent: Chris Borton, Tammy & Sam Martin, Butch Hollenback

Bob Semian brought to our attention pictures of a blue gill that had raised bumps on its body. Bob could not come up with a match on what this was. We will consult with Fish and Game and talk to Schultz if they have come across this condition. Also what remedies are needed if any. We ask all lake members to ask anyone fishing to keep and give to us any fish caught with the same bumps, Scott will put a notice on the web site. No fish stocking to be done until this problem is identified and corrected.

We received the Dam Report. The report noted vegetation on the two back sides of the dam and the beach side of the dam. We will address this issue.

Talked about on the second finger at boat basin # 3 adding same dirt and stone to level this area for ease of access.

The last Saturday in September (30) we will have a day for Kids age 8 to 12 to fish with a adult either at BB# 3 or

on a pontoon boat. Leo will verify on the liability and permission slips. Total numbers not to exceed 12 children. There will be a signup sheet.

Spraying of lake and lakefront properties to be done the last week of August. Paid lake front Properties are to be marked at the shore line.

Discussion on building 3 to 5 units for the catfish to lay their eggs in. We will try to use exiting material that we have on hand.

Last month and this month there has been more incidents of persons at the beach with dogs both in and out of the water. Also kayaks and other boats at the beach. We would like to put additional signs that no dogs and boats are allowed at the beach. Mike will check with Kathy Showers about where she got the signs that are now on the beach.

Meeting ended at 11:38 AM
