**9:00 AM**

**Present :** Al Grabon, Sam Martin, Butch Hollenback, Michael McTierman, Leo O' Reilly Mike Mundy, Bob Semian, Chuck Marsh

**Absent:** Chris Borton, Scott Schultz, Tammy Martin

As of April 28 all docks and the boat ramp were placed in the water.

We are receiving responses from the newsletter article for spraying lake front properties. Spraying is to be done in June.

We are purchasing 200 catfish from Susquehanna County Conservation District's May 21 fish sale. Also we will stock 60,000 baitfish this year.

Scott will be asked to put Creek Limit and State fishing Limits for 2017 on the Paupackan Lake web site.

This year we will remove all boats with 2 year old or no sticker from all boat basins.

On May 13 work is to be done on boat basin three.

**LAKE MEETING**  
**April 29, 2017**  
**9:00 AM**

Addling started second week in April and is ongoing. As of the meeting we found 15 nest for a total of 74 eggs.

Members will be on the lake at 1 PM today to check for more nests.

Difference plans for the beach were discussed. No sand prices yet. Checking on if we can use a Vacuum truck to reclaim sand in the water.
