

Lake & Beach Committee

June 1, 2013 Meeting

Present: Chuck Marsh, Bob Semian, Al Grabon, Michael McTierman, Gregg Slader, Rolland Grote and Chris Borton

Absent: Sam Martin and Joe Stack

Bob Semian spoke about two recent events that came to the attention of the Committee.

A draft of what to submit to the yearly newspaper was passed out for review to the members. Members should get back to the Committee with additions and corrections by next meeting. The Dam part of this report is to be written by the original Dam Committee.

Boat Basin number three discussed as to why we did not update this dock with new materials. Money for this and boat basin number 2 was in the budget for this year. Discussed whether to put off doing repairs until next year. We will try to have a prices for materials required to replace dock boards and flotation devices by next meeting.

Members were asked to come to the next meeting with what the Committee would like to do to improve both the Lake and Beach. Also, be ready to put together next years budget.

Discussion commenced on repairing, replacing and adding posts to Boat Basin signs. The Committee agreed to add posts to existing posts to accommodate a bulletin board for each Boat Basin. If possible some of these bulletin boards will be placed closer to the water. Also, the Committee agreed to purchase a sign for Boat Basin number five.

We talked about adding a concrete section to the boat anchor at the boat ramp to replace the modified stone that is presently there.

Next meeting to be held on June 17 at 6:00 PM

CC/ BS, AG, MM, JS, SM, GS, RG, CB

LAKE & BEACH June MEETING
