Absent: Tammy Martin, Butch Hollenback

Geese : Our permit was renewed for 2017 for addling of eggs. We will start marking nest in 1 to 2 Weeks weather permitting. A list of volunteers from last year was updated for this year.

Beach : Materials for upgrade to the beach wall was ordered and delivery is on Monday the thirteens. Al & Chuck to meet with Dave Mitchell as soon as Mike forwards map and material list for wall project. No starting date at this time.

Boat Basin : Plans for Boat Basin # 3 to start in April with leveling of area and general cleanup of Basin. Calling Alex to see if he has 2B stone for this area. All boats to be removed when work begins. Also Lake Members will work with Public Safety to remove boats with no sticker or stickers over two year old.

Lake Meeting
March 11, 2017
9:00 AM

Fish : Discussed Lake Survey done by Aquatic Environment Consultants on fish types that are in Paupackan Lake. Most members would like to stock Fatheads, Bluegill and Catfish and no predator fish. Situation to be revisited at April's Meeting with updated price list.

Otters : Some members are concerned of large numbers of otters in our lake. Fish & Game Commission was called and they offer no programs for trapping of otters. Email was sent to the Fur Trapper Association for names and information also Sam and other persons looking into getting names of local trappers.

Meeting ended : 10.05 AM
